Goodwood bathrooms introduce the Urban Aldwick washstand

Exemplary of its beautiful and contemporary range of bathroom furniture, the Urban range of bathroom furniture, the *Aldwick* washstand from Goodwood Bathrooms is truly exceptional.

Sleek lines and quality materials produce a sophisticated and modern design. Shown here in a rich Walnut with Cream Nuovo marble countertop, the *Aldwick* washstand offers contemporary aesthetics in addition to storage solutions. Crafted to any width height or depth, the unit can be adapted to suit personal preferences. A plethora of basin options are also available, although the company recommends the Italian ceramic *Sutton* basin and *Ocean* high rise basin mixer (as seen above) for a co-ordinated look. With such a wide range of sizes and basins available, individuality is easy to achieve within the Goodwood bathrooms range.

The Urban Aldwick washstand with the mirror shown above retails from £3418 including VAT. For more information on Goodwood Bathrooms, please call **01243 532121**, email sales@goodwoodbathrooms.co.uk or visit www.goodwoodbathrooms.co.uk
